Grand Re-
Opening

January 15th, 2010

@ 7pm!

Having just celebrated our one year birthday and excited about the newly acquired liquor license we have decided it is time to celebrate, time to re-open it the way we always wanted to, with some much needed entertainment. Annette Aguilar is a world renown musician who will be performing at our little gathering! Be sure to come early, make reservations and grab your friends for an eventful evening in downtown New Rochelle! January 15th kicks off our commitment to bring some art & culture to the dining and wine scene!
